SUMMARY

Software Engineering graduate (CGPA 3.52/4.00) with hands-on exposure to cybersecurity training, lab support and database-driven application development. Completed a NAVTTC Digital Forensic & Cyber Security course (A+ Grade) and built a final year project in web vulnerability assessment. Seeking an internship or entry-level role in cybersecurity or networking.

EDUCATION

BS Software Engineering, Government College University Faisalabad (GCUF) 2022 – 2026
CGPA: 3.52 / 4.00
Intermediate (Pre-Engineering), Govt. Degree College for Women, Safdarabad 2019 – 2021
97%, 1st position in college

EXPERIENCE

Cyber Security Trainee & Institute Assistant, Corvit Systems, Faisalabad July 2026 – September 2026

- Completed practical cyber security training and supported instructors during lab sessions
- Helped set up training environments and troubleshoot basic hardware, software and networking issues
- Assisted with classroom coordination, attendance and administrative activities

Computer Operator Trainee, THQ Hospital, Safdarabad Jul 2022 – Sep 2022

- Two-month on-the-job training under Vocational Training Institute (VTI), NVQF Level 2 in IT
- Handled data entry, documentation and digital record keeping using MS Word and Excel

PROJECTS

Web Vulnerability Assessment System (Final Year Project) GCUF

- Designed and developed a system that scans web applications to identify common security vulnerabilities and generates reports for developers

CERTIFICATIONS

- Digital Forensic & Cyber Security, NAVTTC (Corvit Systems Tech, Faisalabad), A+ Grade Mar – Jun 2025
- National Certificate in IT (Computer Operator), NVQF Level 2 Nov 2022

SKILLS

Security: Cybersecurity fundamentals, digital forensics, ethical hacking basics, WiFi security
Software: Software engineering, OOP, HTML, CSS, database design, secure CRUD operations
Tools: MS Word, MS Excel, typing speed 70+ WPM
Currently learning: Networking (CCNA path), Python for security

ACHIEVEMENTS

- Prime Minister's merit-based Laptop Award (2023)
- Best Punctual VTI Trainee of the session (2022)
